

<p style="text-align: center;"><b>Record<sup>1</sup> of processing activities regarding the online registration and participation in the EIT Summit 2024 event (as part of INNOVEIT 2024) organised by the European Institute of Innovation and Technology</b></p>		
Nr	Item	Description
1	Reference number	DPO-23
2	Name of the data controller, the data protection officer and processor <sup>2</sup> , if applicable and contact details	<p>The <b>data controller</b> is the Director of the EIT. Contact e-mail: <a href="mailto:EIT-Conference@eit.europa.eu">EIT-Conference@eit.europa.eu</a>.</p> <p>Contact e-mail of the <b>Data Protection Officer</b>: <a href="mailto:EIT-DPO@eit.europa.eu">EIT-DPO@eit.europa.eu</a></p>
3	Purposes of the processing	<p>The processing of the personal data within the context of the EIT Summit 2024 is necessary for the following purposes:</p> <ul style="list-style-type: none"> <li>- To register people participating in the event;</li> <li>- To ensure the efficient organisation and management of the event, including the management of participation list, invitations, reporting and follow-up activities;</li> <li>- To create awareness and promote the visibility of the event, particularly by means of media and publications.</li> </ul> <p>The EIT Summit is the kick-off conference of INNOVEIT 2024, a series of thematic events organised by the EIT Community. The INNOVEIT 2024 events will take place throughout the year following the EIT Summit. The present privacy statement covers the processing of personal data for the event organised and hosted by the EIT (see below); information about the events</p>

<sup>1</sup> In line with article 31 of Regulation (EU) 2018/1725 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC

<sup>2</sup> For more information, please see below (categories of data recipients).

		<p>organised and hosted by the EIT Knowledge and Innovation Community (KIC) can be requested from the respective organising KIC.</p> <p>The EIT Summit will be held in a <b>hybrid format</b>:</p> <p>On 20 February 2024:</p> <ul style="list-style-type: none"> <li>- at The EGG, Rue Bara 175, 1070 in Brussels, Belgium;</li> <li>- online via the YouTube platform.</li> </ul> <p>Registration is required only for in person participants of the event, whose registration is managed via an online registration page, maintained by ICF NEXT S.A., the contractor of the EIT (see below).</p> <p>The online web streaming of the EIT Summit can be watched on YouTube without a registration, on the <a href="#">EIT's Youtube Channel</a>, therefore the EIT does not process the personal data of participants joining online. During the event only the stage/podium area will be shown via the web streaming, therefore the other participants who do not appear in this area of the venue of the physical event will not be subject to web streaming. For the purpose of asking questions while watching the event via YouTube, you may be required to log in through your Google account, Facebook account, etc. Be aware that EIT is not responsible for processing personal data by YouTube or any other company, which applications you use to attend the event online. You may consult the privacy statements of these companies for more information.</p>
4	Categories of data subjects	The data subjects are the registered event participants.
5	Categories of the personal data processed	<p>Within the context of the EIT Summit organised by the EIT, the following types of personal data are processed in relation to the data subjects:</p> <ul style="list-style-type: none"> <li>- As part of the online registration process the following personal data are processed for <u>all participants</u>: title, family name, first name, nationality, name and type of the organisation, position in the organisation, membership status of the EIT Alumni, contact details: e-mail address, telephone number (optional), the role in the event. In addition</li> </ul>

		<p>to the above, participants at the event are given the opportunity to indicate individual requirements e.g. those pertaining to diet, mobility and attendance at the events. During the registration process, participants can also indicate whether they wish to be included in the networking platform of the event (i.e. event app and website) where other registered participants could see their names listed and propose to have bilateral meetings with them. Participants who do agree to be included in the platform would be listed as a participant on the event website and in the event app, both managed by the service provider, B2Match. Potential meeting requests would be sent to them through the networking platform.</p> <ul style="list-style-type: none"> <li>- For <u>Speakers, EIT Awards Nominees and EIT Awards Jury members</u>, the following additional data are processed in the context of the event, phone number, details of the travel document (ID/passport) including full name, date of birth, ID/passport number, ID/passport expiration date, issuing country and date of the issue for the purpose of the travel assistance by the EIT;</li> <li>- <u>For the other participants covered by the EIT</u> details of the travel document (ID/passport) including full name, date of birth, ID/passport number, ID/passport expiration date, issuing country and date of the issue are collected and processed for the purpose of the travel assistance by the EIT;</li> <li>- The contact details of the participants will be included in the <u>EIT Stakeholder Database</u>: if the data subject wishes that his/her contact details appear in the database, he/she should tick the appropriate box during the online registration;</li> <li>- <u>Photographs/pictures</u> will be taken during the event and video shots will be recorded. <u>Audio and video recording</u> of the <i>stage/podium area</i> will be taken and disseminated by means of live web streaming. For all the above processing operations, the data subject can decide to explicitly give his/her permission during the online registration. In case the data subject does not give consent, he/she will be given a badge with a special sign on it and will be provided with the special area where no pictures/videos are taken. The photographs/pictures, presentations, audio and video recording and live streaming of the event will be reproduced in various media including EIT publications, the EIT website, social media networks, TV channels and the press, in connection with the event for visibility purposes and/or for further institutional purposes as well as for promotional activities of the EIT.</li> </ul>
--	--	---

6	Categories of data recipients	<p><b>Within the EIT:</b></p> <p>For the purposes indicated above, access to personal data is provided to the EIT staff responsible for the organisation of the event and for the follow-up activities (e.g. satisfaction survey for participants).</p> <p><b>Within the Commission and other EU institutions/bodies/agencies:</b></p> <p>Access may also be provided for the fulfillment of their tasks to the Internal Audit Service of the Commission, the Court of Auditors (audit purposes), to the European Ombudsman, the European Data Protection Supervisor or the European Court of Justice and the General Court (in case of complaints or litigation).</p> <p><b>Third parties subject to the GDPR<sup>3</sup> and third parties not subject to the GDPR:</b></p> <p>ICF NEXT S.A., as the external contractor of the EIT involved in the organisation of the two events, is processing the personal data on behalf of the EIT. The written framework contract between the EIT and ICF Next S.A. contains several provisions on the protection of personal data. The privacy statement of ICF can be found here: <a href="https://www.icf.com/legal/privacy-statement">https://www.icf.com/legal/privacy-statement</a>.</p> <p>In particular, as event organiser, ICF is responsible for maintaining the online registration process, management of audio and video recordings, web streaming, taking photographs and recording video footage about the event, follow-up reporting, distribution of follow up satisfaction surveys etc. The personal data indicated above are collected, uploaded and stored on its servers based in Europe, consulted, transmitted to the EIT, used and finally erased at the end of the retention period.</p> <p>ICF uses B2MATCH Platform for the purpose of registration to the conference and for the event app of the EIT Summit that will offer a networking platform for those participants who agree to</p>
---	-------------------------------	--

<sup>3</sup> Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

		<p>be included in it during the registration process. When the data subjects register to the conference, they are made aware that B2MATCH collects the personal data included in the registration form. In addition, B2MATCH collects the data subjects' IP addresses, website data, geolocation, and browser-generated information (including device information, operating system, device type, system, cookies or other technologies used to analyse users' activity). For details about B2MATCH privacy practices please consult their privacy statement <a href="#">here</a>.</p> <p>ICF also uses the services of One Tec, for the purpose of printing badges for onsite participants. OneTec collects the name, surname, company name and category of the participants. For details about OneTec privacy practices please read <a href="#">here</a>.</p> <p>In addition, IP Travel, Belgium will process the data subjects' personal details in order to organise and manage travel arrangements for sponsored participants. ICF will share the data subjects' personal data with the travel agency for travel organisation purposes in accordance with this privacy statement. Please see IP Travel's privacy policy <a href="#">here</a>.</p> <p>Finally, ICF shares the personal data of the data subjects with certain hotels such as the Park Inn by Radisson Brussels Midi (Pl. Marcel Broodthaers 3, 1060 Brussels), The Hotel (Bd de Waterloo 38, 1000 Brussels) and Thon Hotel Brussels City Centre (Av. du Boulevard 17, 1210 Saint-Josse-ten-Noode), which will process the data subjects' personal details to organise and manage accommodation for sponsored participants. ICF will share your personal data with the hotels for accommodation management purposes in accordance with this privacy statement.</p>
7	<b>Time limit storage</b>	<ul style="list-style-type: none"> <li>- For <u>the rejected applications to participate in the event</u>, the retention period is <i>15 days</i> after the day of the event;</li> <li>- For <u>the contact details of the participants who gave their consent to be included in the EIT Stakeholder Database</u> the retention period is <i>4 years</i> (see the separate privacy statement on the EIT website<sup>4</sup>);</li> </ul>

<sup>4</sup> <https://eit.europa.eu/who-we-are/legal-framework/data-protection>

		<ul style="list-style-type: none"> <li>- For the <u>contact details of the participants who did not want to be included in the EIT Stakeholder Database</u> the retention period is <i>2 years</i>;</li> <li>- The <u>names of participants published on the event website who agreed to use the event app</u> will be published there until the event website is still available (one month after the day of the event);</li> <li>- The <u>personal data used for the event app</u> will be retained for one month after the day of the event;</li> <li>- Reports of the event will be kept for audit purposes for a period of <i>5 years</i> after the INNOVEIT 2024 budget is discharged in accordance with the EU Financial Regulation<sup>5</sup> and the EIT Financial Regulation;</li> <li>- The YouTube streaming of the event would be available on the YouTube channel of the EIT for 10 years;</li> <li>- After the above-mentioned retention periods the data relating to the event required for scientific or historical research purposes, statistical purposes should be kept in an anonymous form.</li> </ul>
8	If applicable, transfers of personal data to a third country or to international organization (if yes, the identification of that third country or international organization and the documentation of suitable safeguards)	No
9	General description of the technical and organisational security measures	Technical and organisational measures: access to personal data is restricted to recipients specified above. Requests that contain personal data are automatically deleted after the expiration of the retention periods specified for each category of the request.

<sup>5</sup> OJ L 193, 30.7.2018, p. 1–222

10	<p><b>Legal basis and grounds for lawfulness of the processing operations</b></p>	<p><b>Legal basis of the processing operation</b></p> <ul style="list-style-type: none"> <li>- Regulation (EU) 2021/819 of the European Parliament and of the Council of 20 May 2021 on the European Institute of Innovation and Technology (recast) ('EIT Regulation')<sup>6</sup>;</li> <li>- Decision (EU) 2021/820 of the European Parliament and of the Council of 20 May 2021 on the Strategic Innovation Agenda of the European Institute of Innovation and Technology (EIT)<sup>7</sup>;</li> <li>- 2021-2027: Boosting the Innovation Talent and Capacity of Europe and repealing decision No 1312/2013/EU ('EIT Strategic Innovation Agenda 2021-2027')<sup>8</sup>;</li> <li>- Decision 42/2023 of the EIT Governing Board on the adoption of the Final Single Programming Document (2024-2026)<sup>9</sup>, as the multiannual financing decision for 2024-2026.</li> </ul> <p><b>Grounds for lawfulness</b></p> <p>In line with Article 5(a) of Regulation No. (EU) 2018/1725, the processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the EIT. The organisation of conferences and events is part of the public interest activities of the EIT aiming to cultivate a clear identity and world-wide EIT brand.</p> <p>The specific processing of personal data (e.g. taking photographs, video and audio recording, and dissemination by the means of web streaming as well as by means of various other media, including the contact details in the EIT Stakeholders Database and/or sharing the participants' contact details with other participants) is allowed only if the data subject gives his/her explicit consent for such processing. Therefore, such processing is lawful based on Article 5 (d) of Regulation No. (EU) 2018/1725.</p>
